*How to Verify *Indus Journal of Medical and Health Sciences* inclusion in Embase*

Dear Researcher,
You can independently verify whether the Indus Journal of Medical and Health Sciences is currently indexed in Embase (Elsevier) by following these steps:

Step 1: Visit the Official Elsevier Website
Open the following official link:
https://www.elsevier.com/products/embase/content

Step 2: Download the Official Journal List
Scroll down the webpage until you find the following statement:
Download the Embase journal coverage list
"Click and Download a list of journals currently covered in Embase Embase journal coverage list*."*
Click the download option to obtain the official Excel file containing the journals currently covered by Embase.

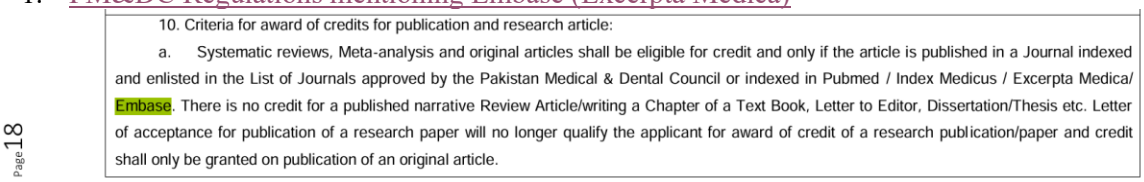

Step 3: Search for the Journal
Open the downloaded Excel file and search for:

- Serial Number: 3789
- Journal Title: Indus Journal of Medical and Health Sciences

This will help you verify the journal's inclusion in the official Embase coverage list.

Important evidence clarification: PM&DC's published regulations have explicitly mentioned Excerpta Medica/Embase as an eligible indexing database for research-publication credits.
Click on the below PM&DC Regulations mentioning Embase (Excerpta Medica) Official references for independent verification and go to Page 18:

1. PM&DC Regulations mentioning Embase (Excerpta Medica)

10. Criteria for award of credits for publication and research article:

a. Systematic reviews, Meta-analysis and original articles shall be eligible for credit and only if the article is published in a Journal indexed and enlisted in the List of Journals approved by the Pakistan Medical & Dental Council or indexed in Pubmed / Index Medicus / Excerpta Medica/ Embase. There is no credit for a published narrative Review Article/writing a Chapter of a Text Book, Letter to Editor, Dissertation/Thesis etc. Letter of acceptance for publication of a research paper will no longer qualify the applicant for award of credit of a research publication/paper and credit shall only be granted on publication of an original article.
